ER – EMS Parking Area Update 4/24/2023

SGAH Parking area has new markings. The intent is for EMS Units to back into the yellow parking stalls, unload patient, once patient transfer is complete then move the unit to the white lined parking stalls. See pictures below.

ER Entrance parking stalls (YELLOW LINES).

Turn around area to back into stalls.

NO Parking Area. Area for EMS units to back-up

Area for EMS units to park.

This will be a 2-year construction project that will “challenge” our drivers with many *obstacles*. When feasible utilize a **SPOTTER/back up person** to prevent the unnecessary collision.
